

Chemung County Dairy Princess Valerie Bush has been very busy over the past year! Starting off in April 2005 she was very busy with farm tours, Old McDonalds Farm, and Memorial Day Parades. Working her way into the summer months she only got busier doing her job of promoting milk and dairy products. Valerie reached thousands of children visiting summer cohesion programs and when the school year started visiting local classrooms. Being part of the Chemung County Fair in August the Dairy Princess and her court set up a booth to help promote dairy and even sold promotional items. Valerie continued to promote the dairy industry by doing many promotions at local grocery stores and getting her word across with recipes and articles in the newspaper. As the year winds down she will be crowning the 2006-2007 Dairy Princess April 1st at Lib's Supper Club. A special thanks to everyone who has helped and contributed to the Dairy Princess Program over the last year!
